Founders Farm GmbH GERMANY
Kranzhornweg 14 - D 85570 Markt Schwaben
www.foundersfarm.eu

H2Warp is a winner of the
Start-up-Initiative

Saving CO₂ is our passion
We are different companies with **ONE GOAL**

The Founders Farm is a platform for ingenious people who support each other in solving CO₂ problems.

Every company is running their own business –
BUT together we are STRONGER

Our next step:

Developing a **CO₂ balancing tool**

The saving of CO₂ emissions from our partners and their products gives us the best chance to create CO₂ certificates

Find CO₂ certification specialists

Find partners and investors for trading CO₂ certificates
